Czech Republic

Summary

Technical Business Analyst - Mergers & Acquisitions

Location: Prague, Czechia

About the role:

The Technical Business Analyst - Mergers & Acquisitions will be responsible to consolidate the application / data migration plans for acquired companies, together with business, Mergers and Acquisitions IT deal leads and technology strategists, create the detailed DDIT solution/service design, based on functional specifications to meet quality and performance requirements and technical constraints and will be responsible for detailed design, development and delivery of solutions to fulfill Mergers and Acquisitions IT needs.

About the Role

Key responsibilities:

- Define the strategic approach to migrate data / applications on M&A deals, ensuring minimal disruption and compatibility.
- Define the transition disposition strategy options & the high-level transition activities process flows
- Work with demand functions to define the business data collection approach and collect information to support the data / application disposition & plan
- Define the execution plan and ensure readiness of target environments
- Responsible for detailed design, development and delivery of system solutions for a specific business or technology area in alignment defined solution architecture and create the detailed process designs necessary to operate the software/service on a day-to-day basis
- Take accountability for delivery of projects / use cases for a specific business or technology area
- Ensure peer review and sign off detailed designs by Mergers and Acquisition leads
- Take accountability to ensure adherence with Security and Compliance policies and procedures within Service Delivery scope
- Individual contributor with responsibility for high to medium sized complexity of projects
- Build a strong partnership with the M&A technology strategists

Essential requirements:

- Experience as Technical Business Analyst
- Experience in Business Architecture, IT Systems Design, Systems Integration.

- Data migration in large scale M&A deals.
- Customer Requirements.
- Problem solving and Critical Thinking.
- Strong communication skills, ability to influence without authority and collaborate across boundaries.
- People Leadership and ability to work and lead (a cross-functional team) in a matrix.
- Project Management.

Commitment to Diversity & Inclusion:

We are committed to building an outstanding, inclusive work environment and diverse teams representative of the patients and communities we serve.

You'll receive (CZ only):

Monthly pension contribution matching your individual contribution up to 3% of your gross monthly base salary; Risk Life Insurance (full cost covered by Novartis); 5-week holiday per year; (1 week above the Labour Law requirement) ; 4 paid sick days within one calendar year in case of absence due to sickness without a medical sickness report; Cafeteria employee benefit program – choice of benefits from Benefit Plus Cafeteria in the amount of 12,500 CZK per year; Meal vouchers in amount of 105 CZK for each working day (full tax covered by company); Car Allowance; MultiSport Card.
