Summary

-To provide expert advice to superiors for a sub-area within FSC and related key activities; to ensure compliance with external and internal accounting reporting requirements in a timely and accurate manner.

About the Role

Major accountabilities:

- Work with direct managers to support financial activities, decision making and general projects.
- Provide timely, proactive support on the general ledger.
- Maintain accurate and timely fixed asset information in the fixed asset register including assets under construction and depreciation calculations.
- Prepare analysis or reporting with particular emphasis on accuracy, compliance and timeliness of data provided (i.e.: reports on profit and loss activity).
- Provide all data needed for internal (Financial Consolidation and Reporting System) and external reporting (including statutory accounts, national statistics and tax information) in a timely and accurate manner.
- Provides 'first line support' on SAP issues including fixed assets, cash and general ledger.
- Contribute to key projects at country or BU level.

Minimum Requirements:

- University level degree Finance/Accounting or any related field.
- Fluent in English both written and spoken, excellent communication skills. Other languages are a plus.
- At least 5 years of relevant experience, with good functional exposure to finance processes (R2R, Financial Compliance and Control, Management Reporting, Technical Accounting). Previous experience within financial shared service centers is desirable.
- Conceptual thinking and ability to align specific functional requirements with the overall finance strategy.
- Demonstrated ability to work effectively in a multi-national organization.
- Previous experience working in projects to drive performance improvements with good track of stakeholder management skills.
