

Meet the teams

Imagine what you could experience at Novartis

Everything we do at Novartis is inspired by our purpose of reimagining medicine to improve and extend people's lives. It's this purpose that drives and challenges us. We are working to build an environment where each of us can be our true selves - inspired, curious and unbossed - every day. Meet the teams, explore where you could apply your skills and enjoy an unbossed career while positively impacting millions of lives!

□

Research

Our researchers combine imagination with the rigor of collaborative science to find better treatments for disease.

[Learn more](#)

□
