China

Summary

Develop and maintain government relationships with key stakeholders at regional levels to support business growth with applicable policies, procedures and other regulations. This position reports to the Head of Public Affairs, provides cross TA support as One Novartis Voice.

About the Role

Major accountabilities:

- Develop and maintain government relationships with key stakeholders of east China at provincial and city levels, e.g. municipal government of Shanghai and cities of east China; provincial/city level authorities of SAMR (NMPA), NDRC, MOFCOM, MIIT, and Customs
- Monitor, interpret and influence the policy environment, political, regulatory, and economic trends and conditions that may impact Novartis businesses
- Develop in-depth knowledge of regional healthcare system and healthcare policies, and keep internal stakeholders timely and well informed. Drive policy advocacy in favor of innovation friendly ecosystem and Novartis positioning through direct engagement and industry associations.
- Drive and coordinate collaboration across TAs on public affairs/corporate responsibilities programs to create a favorable environment for Novartis operation
- Protect Novartis reputation on critical issues/crisis management
- Liaison with Trade Associations, represent Novartis in local external meetings and events to promote regulatory, policy and key business priority objectives.

Essential Requirements:

- Bachelor degree and above.
- Solid track record of successful government affairs roles with 8+ years experiences in an international company, agency or organization.
- She/he should have good knowledge of Chinese government/political system and profound understanding of China's healthcare industry.
- Strong interpersonal skills and team spirit. Good at project management
- Initiative-taking: be a good communicator and a proactive contributor for identifying internal and external government affairs initiatives and leveraging them for company benefits
- Team work: be an independent yet interdependent player
- Relationship building: be able to forge effective partnerships with external organizations and internal stakeholders, build trust and deliver initiatives
- Excellent English skills in writing and speaking
