

# Senior Consultant - PM PMO

Job ID  
REQ-10019569  
Aug 28, 2024  
India

## Summary

-Primary responsibility is to support strategic business projects for Novartis Group, the CEO and the Executive Committee, with the aim of maximizing economic value and securing future competitive advantage. -Support Senior Strategy Managers and Directors in projects around key Novartis products in major markets, that - Deliver substantially greater outcome improvement than from the product alone -Deliver substantially greater financial rewards for Novartis based on this

## About the Role

### Major accountabilities:

- Manage Novartis Strategy Community The project manager maintains the contact with the divisional strategy teams and plans/organizes regular update meetings.
- In addition, the project manager also leads small projects at any time from project scoping, creating content and managing of stakeholders to generate insights and prepare outputs which enable informed decisions.
- Prepare regular exchange between community members, e.g. independent organization of the annual Strategy offsite meeting (including agenda, speakers, etc).
- Ensure transparent communication across the divisional Strategy teams.
- Support the managers and directors in project work and provide expert consultation during all project phases.
- Align closely with stakeholders at country, functional and global level as defined by the requirements of the different projects and initiatives.
- Independently monitor milestones of the projects as well as completion.
- Assists Head of Strategy on larger strategy projects across units and functions as well as countries.
- Take ownership for subparts of the overall project and ensure completion of these.
- Proactively apply project management methodologies.
- Provide change management support and appropriate communications for the implementation of projects and initiatives.
- Reporting of technical complaints / adverse events / special case scenarios related to Novartis products within 24 hours of receipt -Distribution of marketing samples (where applicable)

### Key performance indicators:

- Successfully lead a small project to final output -Feedback from internal and external stakeholders on quality of deliverable -Performance against annual objectives and milestones as in workplan -Feedback from internal and external partners regarding interaction, prioritization, time management, etc.

## Minimum Requirements:

### Work Experience:

- Collaborating across boundaries.
- Major Change.
- Geographic Scope.
- Project Management.
- Operations Management and Execution.
